

New India Electricals Designs, Manufactures & Exports End-to-End Electrical & Power Solutions SINCE 1969.

Our aim is to provide a comprehensive range of highly reliable systems & equipments. With the right mix of Quality products, a WORLD-CLASS Team and 40 years of reputable experience we offer ideal and techno-economic solutions.

We - Conceptualize, Design, Manufacture, Commission, Train & Handover.

Buying equipments from us is gaining a partner you can rely on for your equipment's life. We help you right from the design stage, to the actual delivery and throughout the life cycle.

Our field of expertise covers the entire END-to-END ELECTRICAL & POWER solutions for STEEL, SUGAR, CEMENT, PAPER, POWER GENERATION, POWER TRANSMISSION & DISTRIBUTION.

Our equipments are manufactured under stringent quality control with a clear focus on performance and longevity. This is why we source components from global leaders like ABB, AREVA, SIEMENS, ALSTHOM, L&T and the like with facilities that are ISO certified and products that are type tested by UL, KEMA, ATEX, CE, CPRI etc.

We design solutions and projects around a simple philosophy of: Longevity & Reliability. Our product specifications conform to relevant IS/BS, IEC, ASTM & NEMA Standards.

We export our products, services and systems to over 30 countries world-wide.
