Company Profile

Our name is Wafangdian Weiyuan Bearing Manufacturing Co., Ltd. We are middle size bearing factory in China with 160 employees totally. We are located in the traditional bearing city-Wafangdian, Dalian, China.

We are specialized in designing and making large dimension rolling bearings and slewing bearings for a wide range of applications like: steel making, mining, oil drilling, wind power, ship-building, paper&pulp, material handling, chemical, solar power. As an ISO certificated company, we control quality strictly to assure products perform exactly as specified. This is the reason for our continuing and rapid growth in the past 20 years.

The company was founded in 1993. We are the first private company to make pressed steel cages in China. Almost 50% of the bearing factories in Wafangdian use our pressed cages for their bearings. In 2003, we started our business in making large diameter bearings and bearing rollers. With years of development, W&Y becomes a famous brand in our area because of the high quality and fast delivery. 80% of the products are exported to European and US markets. We have many CNC facilities and all the necessary instruments to check quality.

We are not interested to be a big factory. Our aim is to be “The Best Bearings Maker in China”

我們公司的全名叫“瓦房店威遠軸承制造有限公司”在國內我們屬於中等規模軸承工廠，總共擁有160名雇員。公司位于“軸承之城”瓦房店市。

我公司專門致力於大型軸承和轉盤軸承的研發和生產。產品廣泛應用于鋼鐵製造業，石油開采，風力發電，船舶制造，造紙，工程機械，化工，太陽能等行業。作為擁有ISO認證的企業，我們嚴格檢驗我們的產品以確保質量達到設計要求。這就是我們20年來得到迅速發展的重要原因。

公司最早成立于1993年，當時我們是中國民營企業中最早生產衝壓保持架的工廠之一。目前在瓦房店地區大約有50%的軸承廠家使用我們生產的保持架來裝配他們的軸承。在2003年，我們開始進入大型軸承以及滾子的生產領域。經過這些年的發展，W&Y已經成為我們地區的著名品牌。80%以上的產品外銷到歐洲和美國市場。我們擁有很多先進數控設備和全面的檢測手段。

我們公司的宗旨是“不求最大，但求最精”我們的目標是“成為中國最好的軸承制造商”

Products Range

Radial Ball Bearings	Deep groove ball bearing	ID 80mm up to OD 3500mm
	Angular contact ball bearing	ID 80mm up to OD 3500mm
	Four point contact ball bearing	ID 80mm up to OD 3500mm
Radial Roller Bearings	Cylindrical Roller Bearing, Single Row	ID 80mm up to OD 3500mm
	Cylindrical Roller Bearing, Double Rows	ID 80mm up to OD 3500mm
	Cylindrical Roller Bearing, Four Rows	ID 110mm up to OD 2000mm
	Full Complement Cylindrical Roller Bearing	ID 80mm up to OD 3500mm
	Tapered Roller Bearing, Single Row	ID 80mm up to OD 3500mm
	Tapered Roller Bearing, Double Rows	ID 80mm up to OD 3500mm
	Tapered Roller Bearing, Four Rows	ID 80mm up to OD 3500mm
Spherical Roller Bearing	ID 80mm up to OD 3500mm	
Axial Roller&Ball Bearings	Spherical Roller Thrust Bearing	ID 80mm up to OD 3500mm
	Cylindrical Roller Thrust Bearing	ID 80mm up to OD 3500mm
	Tapered Roller Thrust Bearing	ID 80mm up to OD 3500mm
	Thrust Ball Bearing	ID 80mm up to OD 3500mm
Slewing Bearings	Four Point Contact Ball Slewing Bearing	ID 200mm up to OD 3500mm
	Double-row Ball Slewing Bearing	ID 200mm up to OD 3500mm
	Crossed Roller Slewing Bearing	ID 200mm up to OD 3500mm
	Triple-row Roller Slewing Bearing	ID 200mm up to OD 3500mm
Special Bearings	Toroidal Roller Bearing (Carb Bearing)	ID 80mm up to OD 2000mm
	Split Roller Bearing	ID 80mm up to OD 1750mm
	Self-aligning Cylindrical Roller Bearing	ID 80mm up to OD 1800mm
Rollers and Cages	Cylindrical Rollers	Dia. 15mm up to 150mm
	Tapered Rollers	Dia. 15mm up to 150mm
	Spherical Rollers	Dia. 15mm up to 150mm
	Pressed steel cage	Dia 80mm up to 1800mm
